

## 2011 – 2012

### IMAGINE THAT

Preschool

10 weeks

A preschool group focusing on facilitating language skills and social development through pretend play.

### STORYTIME

Preschool

10 weeks

Social thinking will be explored through stories, art, drama and pretend play.

### MAD SCIENCE

Preschool - Kindergarten

10 weeks

Children love to be scientists! This more structured group integrates social cognitive thinking concepts into weekly experiments.

### WE CAN MAKE IT BETTER

Pre K - Grade 1

12 weeks

This unique program helps children develop skills of flexibility and social problem solving through narratives. They will engage in role playing as a means to improve their social understanding.

### GET IN THE ZONE

Grades Kindergarten- 2

10 weeks

This curriculum integrates concepts of social thinking and self regulation. Children will develop a toolbox of skills to help them recognize their emotions, regulate their actions and respond more effectively in social situations

### LITERACY AND SOCIAL THINKING

Grades 2-3, 4-5, 6-7

12 weeks

Learn to apply Social Thinking concepts to improve reading comprehension and written language skills.

### SUPERFLEX

Grades 3-5

12 weeks

Meet the superhero "Superflex" and learn his strategies to beat the "team of unthinkables" and become more flexible.

### FIRST IMPRESSIONS COUNT

Grades 6- Young Adult

10 weeks

Etiquette training integrating social thinking concepts resulting in a more confident individual in social situations.

### PARENT COACHING

Learn strategies to help your child navigate the social world. Develop a plan to meet the specific needs of your child.
